

Depot Manager - About the Role

In the role of Depot Manager, you will have operational responsibility for all areas and aspects of a busy Service Centre in driving the business forward to ensure targets and the highest possible standards of customer satisfaction are achieved.

You will be responsible for:

- Ensuring that the Depot is performing against all agreed targets/budgets and managing all costs
- Consistently motivating employees, as this has a direct impact on atmosphere and general feel-good factor; to an affect that you get the best from the team
- Creating management reports on request, dealing with all aspects of P&L
- Liaising with the Sales team in order to develop new sales opportunities and grow the business
- Ensuring that all aspects of work and process are carried out in-line with Health and Safety guidelines
- Ensuring there is effective and clear communication to all employees within the Depot

About You

To be considered for Depot Manager, we're looking for someone who has previous experience in a similar operations/ management role and can bring the following skill set:

- Experience in managing people, motivating, and developing others to achieve both successes individually and as a group
- Excellent communication and collaboration skills
- Ability to demonstrate commercial and financial acumen
- Ability to understand and work with P&L accounts and budgets
- Computer literate, with a working knowledge of Microsoft Office
- Good planning and organisation skills
- Self-motivated with the drive to succeed and to high quality standards
- Good understanding and experience of managing Health and Safety practices at work
- Full clean driving licence
