

## Leatherhead KT22 7DG

competitive salary+ pension and bonus

### Heavy Plant Mechanic

An exciting position has become available for a full-time Heavy Plant Mechanic based in Leatherhead, Surrey. The successful candidate will earn a salary of £35,000 - £40,000pa + pension and bonus - dependent on experience, skills and qualifications.

### Role Requirements

- Prior experience in Plant Maintenance.
- Able to work as part of a Team, supporting colleagues
- Flexible and self-motivated, you will be keen to embrace new training opportunities, which may on occasion require staying away from home.
- Great communication skills – both verbal and written.
- Customer-Focused with a commitment to delivering an excellent service.
- Effective planning and organisation skills with strong attention to detail and accuracy.

### Role Responsibilities

- You will be required to travel regularly to different locations maintaining and repair all Plant equipment within our range, providing an onsite service to customer. This will include finding and capturing machine damage and keeping accurate and comprehensive service and maintenance records.
- You communicate effectively, ensuring that you are Line Manager and Customers are kept informed as required.
- Working alongside colleagues, you will be a great team player and take pride in your workplace and working environment, making sure that high standards are maintained whilst complying with company procedures and processes.

### Company

Our client is an independent company providing a wide range of modern equipment principally to members of the construction industry.

### Why should you apply?

- The chance to join a fantastic company.
- To become part of a hardworking, dedicated team.
- To showcase your current knowledge and skill set in the field.
- To be a proactive member of the company.
- Competitive Salary, Pension and Bonus.
